

Let us ([safely](#)) plan your next corporate outing!

Welcome to Topgolf, your premier entertainment destination!

Entertain corporate clients and colleagues in a very non-corporate setting. With great food, full-service bars, upscale amenities, and competitive fun everyone can enjoy, Topgolf makes a great home for your next event!

Our corporate events include game play, fantastic food and drinks, and a dedicated staff to help make your event an unforgettable experience.

We've implemented the highest health and safety standards. Our safely-spaced hitting bays are 11 feet apart from tee to tee with a protective divider between each bay. The entire venue is cleaned throughout the day with all frequent touchpoints cleaned between each group.
