Exhibitor Update

We are excited to see you in-person in just a couple of weeks at [PPSA's 77th Annual Safety & Health Conference](#), October 17-20, 2021 at the [Omni Resort at ChampionsGate](#) in Orlando, FL USA. We wanted to take a moment to thank you all once again for your support as vendors at our event. The vendor exhibit hall is a critical part of the PPSA Conference and we are thrilled to have such wonderful partners.

The live networking and relationship building is more critical than ever, especially as COVID-19 continues to impact attendance at live events. In an effort to mitigate the impact of COVID-19 on our live attendee numbers, our team has put into place several health and safety guidelines, restructured the technical tracks in a condensed 2-day program, and worked to extend the discounted rates for registration and our hotel block. Details on these efforts can be found in the update below.

Should you have any questions please do not hesitate to reach out to PPSA Staff via [email](#) or phone at 770-209-7300. We look forward to hosting everyone in just a few short weeks.

Below you will find the information you need to successfully participate in the conference and enhance your return on investment. Please save this email as it contains important log-in information, as well as links to exhibitor services, registration, housing information, company listings, sponsorship information and more. We will send out periodic e-mail updates to keep you informed of critical deadlines, conference news and other important updates. We also encourage you to regularly visit the official PPSA Conference [website](#) which contains up-to-date information for all exhibitors.
